Congress and Exhibition Office:
CPO HANSER SERVICE GmbH
uegw2011@cpo-hanser.de

Word of Welcome

Dear colleagues,

On behalf of ESGENA and the Swedish Society of Endoscopy and GE Nurses and Assistants (SEGP) we have great pleasure inviting you to the 15th ESGENA Conference, which will be held during the 19th UEGW on Saturday 22-24 October 2011 in Stockholm, Sweden.

The three day conference will include state-of-the-art lectures, free papers & posters, lunch sessions, several workshops with hands-on-training and live transmissions. Interesting topics in Gastroenterology and Endoscopy will ensure a truly global context. We are hoping to provide a full and varied programme – to encourage you to meet up with colleagues from all over the world and exchange information with them. This format will encourage networking and communication between the delegates – both between individual nurses and national groups.

On Saturday, there will be an opportunity to attend several workshops organised in four parallel rooms. The workshops will have a more practical focus and will be held in smaller groups – up to 50 – to encourage discussion, questions, and exchanges of ideas. Following success at previous conferences, we will be offering hands-on training using bio simulators for nurses on Saturday and Sunday. These workshops will be organised in close cooperation with ESGE. Nurses will also have access to the UEGW post graduate course.

The conference will officially open with the ESGENA Welcome Reception on Saturday evening. In the past, this has been a most enjoyable, informal evening with the opportunity to meet colleagues and friends from all over Europe and overseas. This evening will be organised by the Swedish nurses as local hosts of the conference.

On Sunday, the scientific programme, which includes two free paper sessions and a nurses' poster session, will offer mainly nursing-oriented lectures in two parallel halls. In addition, lunch sessions will have a more practical focus. The Plenary Session with lectures in one hall follows on Monday morning. This will bring together all the delegates and we will award the prizes for the best free paper and the best poster. The meeting will finish with invitations to forthcoming conferences.

The trade exhibition will open on Monday at lunchtime, and there should be enough time to browse the stands if the medical scientific programme does not tempt you back into the lecture halls.

We hope that we will be able to welcome you at the 15th ESGENA Conference in October 2011 in Stockholm, Sweden

Michael Ortmann
President of ESGENA

Ingrid Karström
President of SEGP

Programme Overview

SATURDAY, 22 October 2011					
Lecture Halls	K 16 / 17	K 22	K 23	K 24	ESGE Learning Area
UEGW – PG Training Programme	13.30-15.00 Workshop 1 Everyone Really Can Provide.... better patient outcomes organised by Boston	13.30-15.00 Workshop 2 Painless colonoscopy: benefits for patient and department organised by Olympus Europa	13.30-15.00 Workshop 3 Nurse Endoscopist – "The Good, the Bad and the Ugly" organised by ESGENA	13.30-15.00 Workshop 4 IBD- Exact Title to be confirmed organised by MSD Essex	13.30-15.00 Workshop 5 Hands-on-training on bio simulators: Upper GI Bleeding ERCP Colonoscopy
	Coffee Break				
UEGW - PG Training Programme	15.45-17.00 Workshop 6 What is the role of nurses during Colon Capsule Endoscopy (CCE) and during BRAVO procedures? organised by Given Imaging	15.30-17.00 Workshop 7 Hygiene in the endoscopy room organised by Olympus Europa	15.30-17.00 Workshop 8 Title to be confirmed organised by US Endoscopy	15.30-17.00 Workshop 9 How to create scientifically sound abstracts and posters for conferences organised by ESGENA	15.30-17.00 Workshop 10 Hands-on-training on bio simulators Upper GI Bleeding ERCP Colonoscopy
			17.15-18.30 ESGENA General Assembly (members only)

ESGENA-Workshop Programme

Workshop 1: Everyone Really Can Provide....Better Patient Outcomes

This workshop is organised by **Boston Scientific Europe**

13.30-15.00 Hall K 16/17

Chairs: NN

Aims & Content

This programme is designed to increase ERCP nurse's awareness of the clinical benefits of latest technology in ERCP, from cannulation to stricture and stone management. Programme content:

- Presentation on clinical best practice in ERCP
- Hands on practice and best proper use/best practices on Biliary ERCP models
- Conclusion

Workshop 2: Painless colonoscopy: Benefits for patient and department

This lunch session is organised by **Olympus Europa Holding GmbH**

13.00-14.30 **Hall K 13**

Chairs: John Cobain, Hamburg, Sweden
NN, Stockholm, Sweden

Aims & Content

- The philosophy of painless colonoscopy
- What are the benefits for patients and department?
- The role of the nursing staff
- Technical aspects and current studies

Hands-on:

- Practice of colonoscopy using a colon model
- ScopeGuide 3: Get to know the new functions
- Basics of CO2 insufflation with the Olympus **Unit for Endoscopic CO2 Regulation**

Workshop 3: Nurse Endoscopist – "The Good, the Bad and the Ugly"

This workshop is organised by ESGENA

13.30-15.00 Hall K 23

Chairs: Christiane Neumann, Birmingham, UK
Irene Dunkley, Huntington, UK

Aims & Content

Nurse endoscopy has been established in several European Countries for some time. The UK and Sweden have structured national training courses for nurse endoscopists. Other European countries have established local courses.

The workshop aims will discuss the following issues

- Tasks and responsibilities of nurse endoscopists
- Legal and ethical considerations
- Education & Training requirements
- Difficulties and resources in establishing a national training system
- Limitations in practice and difficulties in daily routine
- Job satisfaction and financial rewards
- Etc.

This is an open question-and-answer based workshop where the audience will be encouraged to participate, an opportunity for nurse endoscopist from across Europe to exchange experiences, and for those who are interested in the topic to ask questions (orally or in writing).

Workshop 4: Inflammatory Bowel Disease (IBD)

This workshop is organised by **MSD Essex** **This workshop has to be confirmed**

13.30-15.00 Hall K 24

Chair: NN

Aims & Content

- To be confirmed
-

Workshop 5: Hands-on-Training on Bio Simulators

13.30-15.00 ESGE Learning Area

Chairs: Michael Ortmann, Basle, Switzerland
Eric Pflimlin, Basle, Switzerland

Aims & Content

Hands-on training on bio simulators (pig models) under the supervision of highly experienced tutors:

Participants will have the opportunity to perform endoscopic techniques on the following topics:

- OGD with Injection techniques, Ligation, Clipping, APC
- Colonoscopy with Polypectomy, EMR and APC
- ERCP with stone extraction and stenting

As participation will be limited, registration will be treated on a first-come-first-served basis.

Ticket will be available onsite only – at the entrance of the ESGE Learning Area

Workshop 6: What is the role of nurses during Colon Capsule Endoscopy (CCE) and during BRAVO procedures?

This workshop is organised by **Given Imaging GmbH**

13.30-15.00 Hall K 16/17

Content

- 13:30 – 13:45 Is there a role of nurses during Colon Capsule Endoscopy?
Clinical experience in practice – what are the tasks of doctors and nurses during CCE? Which tasks can the nurse take over during the procedure? What kind of training does the nurse need for this? Is this a relief for physicians?
Ervin Toth, Malmö, Sweden
- 13:45 – 14:05 Practical demonstration of the role of nurses during Colon Capsule Endoscopy
Preparing the Regimen Manager in RAPID software, explaining the preparation to patient, handing out the patient instruction, monitoring of prep intake, monitoring of the CCE procedure, downloading the video, how to read a video, what should be considered? Technical support tools in the software, e.g. taking thumbnails, using the atlas, using the image adjustments, blue colour, etc.
Fred Stam, Amsterdam, Netherlands
- 14:05 – 14:15 Question & Answer for Colon Capsule Endoscopy
- 14:15 – 14:30 The BRAVO procedure
Clinical experience in practice – what are the tasks of doctors and nurses during a BRAVO procedure? What kind of training does the nurse need for this? Is this a relief for physicians?
Anders Bergh Loedrup, Kopenhagen, Denmark
- 14:30 – 14:50 Practical demonstration of the BRAVO procedure
Practical demonstration of the BRAVO procedure for the steps taken by the nurse. Which steps are most important? Tips&tricks/ learnings from BRAVO procedures from the perspective of the nurse. Is BRAVO more patient-friendly than catheter-based procedures (feedback from patients)?
Brita Liljeroth Lindeberg, Kopenhagen, Denmark
- 14:50 – 15:00 Question & Answer for BRAVO

Workshop 7: Hygiene in the endoscopy room

This workshop is organised by **Olympus Europa Holding GmbH**

15.30-17.00 Hall K22

Chairs: Jürgen Gebel, Bonn, Germany, Linda Ashhurst, Norway, Janie Smitt, NL

Aims & Content

The awareness on hygiene requirements for the reprocessing of flexible medical endoscopes and accessories is quite well established today. Routine use of Washer-Disinfectors, documentation and traceability are daily practice in most endoscopy departments in Europe. However, the workflow of patients, products and users (doctors and nurses) still bears potential risks for infection cases.

This workshop will discuss the following issues:

- Relevance and potential infection control risks in the endoscopic environment.
- Set-up of local procedures for prevention of infection cases in the endoscopy room (example NL?).
- Practical insight into daily workflow in the endoscopy room with special focus on surface, hand and skin hygiene.

Workshop 8: US Endoscopy

This workshop is organised by **US Endoscopy**

This workshop has to be confirmed

13.30-15.00 Hall K 24

Chair: NN

Aims & Content

- To be confirmed
-

Workshop 9: How to create scientifically sound abstracts and posters for conferences

This workshop is organised by **ESGENA**

15.30-17.00 Hall K24

Chairs: Christiane Neumann, Birmingham, UK
Ulrike Beilenhoff, Ulm, Germany

Aims & Content

The professional duty of each nurse includes sharing good evidence based practice. This can be done by teaching staff in one's own department, publication in journals or conference presentations. However, the way scientific presentations are prepared is not normally taught during nurse training.

The workshop aims to introduce nurses to follow scientific principles when

- Choosing a topic
 - Preparing and evaluating an abstract for a conference
 - Producing a poster which is both scientific and visually attractive
 - Presenting a poster at a meeting to the poster round judges
-

17.15-18.30

ESGENA General Assembly
(members only)

in Hall K23

Sunday 23 October 2011

ESGENA Scientific Programme

SESSION 1: Free Paper Session I:

SESSION 1: Free Paper Session I: Management & Research

08.30-10.00 Hall K 11

Chairs Di Campbell, Torbay, UK
Herta Pomper, Vienna, Austria
Gunilla Strand, Stockholm, Sweden

08.30-08.40 Welcome

Michael Ortmann, Basle, Switzerland (ESGENA President)

08.40-08.55 Everything you say, won't be used against you: Nurses in the lead in multidisciplinary safety management system in dept of gastroenterology and endoscopy L-1

Maria de Jong, Evelien Dekkers, Ingeborg Goes, Academic Medical Center, Department of Gastroenterology & Endoscopy, Amsterdam, Amsterdam, The Netherlands

08.55-09.10 A rehabilitation out-patient clinic managed by nurses for patients discharged after hepatic encephalopathy improves survival L-2

Astrid Reher-Langberg, Michala Andersen, Søren Aun, Nanna Jensen, Christian Homann, Frank Schiødt. Section of Gastroenterology and Hepatology, Department of Internal Medicine I, Bispebjerg Hospital, University of Copenhagen, Denmark.

09.10-09.25 Integrating Lean Management to Reduce Waiting Time for Patients undergoing Endoscopy at Outpatient Services L-3

Siriporn Ratanalert RN*, Wanpen Pinyopasakul**, Kanittha Sriwanayos RN***, Sopa Boonviriyaya*, Varaporn Senapitakkul*, Sulee Saengnil*, Ruankwan Pongprayoon*; * NKC Institute of Gastroenterology and Hepatology, Songklanagarind Hospital, ** Faculty of Nursing, Mahidol University, Thailand.; *** Surgical Day Care Unit, Songklanagarind Hospital, Songkhla, Thailand

09.25-09.40 Reducing waiting lists: impact of a service redesign incorporating a nurse-led endoscopy assessment clinic L-4

Dianne Jones, Charlie Vaughan, Endoscopy Unit, Logan Hospital, Queensland, Australia.

09.40-09.55 The effect of a national training programme for sedation and emergency management on the quality of daily practise in Endoscopy L-5

Ulrike Beilenhoff, Ulm, Germany

SESSION 2: Hygiene

08.30-10.00 Hall K 21

Chairs Christiane Neumann, Birmingham, UK
Mirjam Bjurek, Skövde, Sweden

08.30-08.40 Welcome

Ingrid Karström, Kristianstad, Sweden (nominated President of SEGP)

08.40-09.05 DIN ISO EU 15 883 - Development of a national guideline for validation of reprocessing flexible endoscopes L-6

Ulrike Beilenhoff, Ulm, Holger Biering, Düsseldorf, Germany

09.05-09.30 Establishing new department under hygiene aspect L-7

Tina Bradley, Birmingham, UK

09.30-10.00 Round table discussion with experts
The following subjects will be discussed:

- Minimal to maximal standards
- Validation of reprocessing systems
- Microbiological surveillance and outbreak management

SESSION 3: Free Paper Session II:

10.30-12.00 Hall K 11

Chairs Di Campbell, Torbay, UK
Herta Pomper, Vienna, Austria
Gunilla Strand, Stockholm, Sweden

10.30-10.45 What gastroenterologists and IBD nurses say about complementary and alternative treatments L-8

Annelie Lindberg¹, Britt Ebbeskog², Per Karlen¹, Lena Oxelmark²

¹Dept. of Clinical Science and Education, Karolinska Institutet, Gastroenterology and Hepatology Södersjukhuset Stockholm, ²Dept. of Neurobiology, Care sciences and Society, Div. of Nursing, Karolinska Institutet, Huddinge, Sweden

10.45-11.00 Stress increases the risk for relapse in patients with inflammatory bowel diseases. L-9

A case-crossover study

Susanna Jäghult¹, Fredrik Saboonchi^{1 2 4}, Jette Möller³, Regina Wredling¹, Marjo Kapraali¹; Karolinska Institutet, Department of Clinical Sciences, Danderyd Hospital, ²Sophiahemmet University College, ³ Karolinska Institutet, Department of Public Health Sciences, Division of Public Health Epidemiology, ⁴Stockholm University. Sweden

11.00-11.15 Soft tissue massage as pain relieving method for colonoscopy L-10

Kerstin Langlet, Marguerite Strandell, Åsa Jonsson, Ersta hospital Stockholm Sweden.

11.15-11.30 Preliminary results from a prospective study on clostridium difficile toxin type and antibiotic sensitivity in inflammatory bowel disease L-11

Matteo Martinato¹, Alessia Rosaria Grillo¹, Renata D'Inca¹, Marco Scarpa², Roberta Caccaro¹, Giacomo Carlo Sturniolo¹, Ignazio Castagliuolo¹

¹Università degli Studi di Padova, ²Istituto Oncologico Veneto, Padova, Italy.

11.30-11.45	Quality control on efficacy of reprocessing in a digestive endoscopy service <u>Mirella Scacchi</u> , Suzanne Judet, Matteo Martinato. Azienda Ospedaliera – Università di Padova, Padova, Italy.	L-12
11.45-12.00	Reprocessing process of endoscopes and accessories: should we audit it? <u>Joaquim Andrade</u> ; Rosa Ferreira (Infection Control Committee); Institution: Centro Hospitalar do Alto Ave; Unidade de Endoscopia Digestiva; Guimarães – Portugal	L-13

SESSION 4: Management

10.30-12.00	Hall K 21	
Chairs:	Ulrike Beilenhoff, Ulm, Germany Ruth Svedlund, Gävle, Sweden	
10.30-11.00	Gastronet quality s – a tool for quality improvement in gastrointestinal endoscopy Siv Furholm, Oslo, Norway	L-14
11.00-11.30	How to give bad news – tools for difficult communication Dagmar Schmidt, Basel, Switzerland	L-16
11.30-12.00	How to organize mass screening for colo rectal cancer Chris Mulder, Amsterdam, NL	L-17
11.50-12.00	Discussion	

Workshop 11: Hands-on-Training on Bio Simulators

10.00-12.00	ESGE Learning Area
Chairs:	Eric Pflimlin, Evi Baumann, Basle, Switzerland

Hands-on training on bio simulators (pig models) under the supervision of highly experienced tutors. Participants will have the opportunity to perform endoscopic techniques on the following topics:

- ERCP short wire system of BOSTON SCIENTIFIC
- ERCP short wire system of COOK
- ERCP short wire system of OLYMPUS EUROPA HOLDING

As participation will be limited, registration will be treated on a first-come-first-served basis. Ticket will be available onsite only – at the entrance of the ESGE Learning Area

Posterround I

13.00-14.00	Poster area in front of Hall 113 / 114	
Chairs:	Jayne Tillett, Bristol, UK Stanka Popovic, Ljubljana, Slovenia Ingrid Karström, Kristianstad, Sweden	
1.	Assessment study on previous colonoscopy preparation <u>Iolanda Caballero</u> , Raquel Mena, Isabel Mayer, Núria Lasheras, Sònia Ibáñez, Amalia López, Rosa Colom, M. José Calero, Imma Díaz, Unitat d' Endoscòpia digestiva del Consorci Sanitari de Terrassa Barcelona, Spain	P-1
2.	What is the best bowel-cleansing method for colonoscopy? <u>Anne-Kristin Gustafsson</u> , reg nurse, Jeanette Fagrell, reg nurse and Nils Nyhlin. Endoscopy Unit, Dept of Medicine, Örebro University Hospital, Örebro, Sweden	P-2

3. Nurses performing colonoscopies - Education program and retrospective data P-3
Helle Roy Tillgaard. Endoscopy unit, Department of Surgery, Sygehus Sønderjylland (SHS), Aabenraa, Region of Southern Denmark, Denmark,
4. Is there a significant difference in learning colonoscopies by a nurse between the first 50 and second 50 colonoscopies? P-4
 Elisabeth Mathus-Vliegen, Karin van der Vliet, Paul Fockens, Jacques Bergman, Monique van den Bergh. Department of Gastroenterology, Academic Medical Centre, Amsterdam, the Netherlands
5. Factors affecting the patient's discomfort during the colonoscopy P-5
¹Bedriye Demirci, ¹Ibrahim Hatemi, ¹Billur Canbakan , ¹Murat Tuncer, ²Hakan Şentürk, ¹Kadir Bal, ¹Ahmet Dobrucalı, ¹Hülya Uzunismail, ³Mustafa Şükrü Şenocak. ¹Istanbul University Cerrahpasa Medical Faculty department of Gastroenterology, Istanbul, Turkey. ²Bezmialem Vakif Universty School of Medicine department of Gastroenterology, Istanbul, Turkey. ³Istanbul University Cerrahpasa Medical Faculty department of Biostatistics, Istanbul, Turkey.
6. Evolution of minimal invasive endoscopic techniques through a patient history – from piecemeal polypectomy to endoscopic submucosal dissection P-6
Krisztina Tari¹, Péter Lukovich¹, Gábor Váradi², Péter Kupcsulik¹, László Harsányi¹,(1) Endoscopy, ^{1st} Department of Surgery, Semmelweis University, Budapest, Hungary; (2) Department of Surgery, Ödön Jávorszky Hospital, Vác, Hungary.
7. Evaluation of the pain after the accomplishment of a colonoscopy. P-7
Raquel Mena, Yolanda Caballero, M^aJosé Calero, Rosa García, Rosa Colom i Amalia López. Digestive Endoscopy Unit, Consorci Sanitari de Terrassa, Barcelona; Spain
8. Colorectal cancer screening in slovenia - SVIT P-8
 Irena Debeljak¹, Marklena Fojs¹, Tatjana Gjergjek², Stanka Popovic² : National Program of Screening and Early Detection of Precancerous Lesions and Cancers of the Colon and Rectum¹. University Medical Centre Ljubljana²
9. The nurse's role in the surveillance program of postoperative curative resection of colorectal cancer P-9
 Isabel, Pampulha; Nuno, Pereira; Vânia, Santos. Portuguese Institute of Oncology of Lisbon, Portugal
10. Worries about sexual intimacy adversely influence changes in subjective health for patients with inflammatory bowel diseases. A latent growth analysis P-10
 Fredrik Saboonchi ^{1 2 3}, Susanna Jäghult ². ¹Sophiahemmet University College, Fredrik, ²Karolinska Institutet, Department of Clinical Sciences, Danderyds Hospital, ³Stockholm University. Stockholm, Sweden.
11. Caring through a telephone wire P-11
 Alexandra, Rei; Ana, Francês; Angelina, Fontes; Carla, Pires; Maria, Manso; Maria, Mendes; Maria, Viegas; Matilde, Godinho; Nelson, Martins. North Lisbon Hospital – Polo Pulido Valente, Lisbon, Portugal
12. Patient's perception in the digestive endoscopy unit belonging to a hospital in Vigo city P-12
Mar Rionda, Ana Alonso, Pilar Iglesias, Isabel Pérez, Milagros Fernández, Carmen Portasany, Inmaculada Pardo, David Rodríguez, Luisa de Castro Hospital Meixoeiro, Vigo, Spain
13. Endoscopic Medical Information System (EMIS) in Nursing Management of Endoscopy Department P-13
Evgeniya Korovina*, Olga Migurskaya*, Evgeniya Spiridonova*, Alla Keranova*, Alexey Gvozdev*, Victor Kapranov**, Alexander Senin*,

Sergey Kashin*. * Endoscopy Department, Yaroslavl Regional Cancer Hospital, Yaroslavl, Russia. ** 1st Department of the University Internet Centre, Yaroslavl State University named after P.G. Demidov, Yaroslavl, Russia

- | | | |
|-----|---|------|
| 14. | Nurse Role in a Clinical Research Center
<u>Suzana Muller</u> , Clinical Research Center of Hospital de Clínicas de Porto Alegre, Brazil | P-14 |
| 15. | Nursing care of clinical research patients' with advanced esophageal cancer
<u>Suzana Muller</u> , Clinical Research Center of Hospital de Clínicas de Porto Alegre, Porto Alegre, Brazil | P-15 |
| 16. | Three centre study of theory to practice of cannulation in endoscopy

Lunch Session 1: Hygiene and infection control

This lunch session is organised by **ESGENA**

13.00-14.30 Hall K 12

Chairs: Mette Olesen, Copenhagen, Denmark
Sylvia Lahey, Arnhem, NL

Elevator bridge channel, the Achilles heel of duodenoscope reprocessing - Karl Storz Solution for every day work (Karl Storz GmbH)
Thomas Makowski, Tübingen, Germany

Jet Prep – a new rinsing solution

Minntech – Title to be confirmed

Lunch Session 2: Diagnostic and therapeutic bronchoscopy

This lunch session is organised by **Olympus Europa Holding GmbH**

13.00-14.30 **Hall K 13**

Chairs: Michael Ortmann, Basel, Switzerland
Anja Schuster, Hanburg, Germany

Content:

- An overview of the most important standard procedures
- Organisational considerations in bronchoscopy
- The role of nursing staff
- Device and Procedure related Tips and Tricks

Hands-on:

- Practice diagnostic bronchoscopy on anatomical models
- Transbronchial Needle Aspiration: needle handling and tissue preparation
- Foreign Body removal, get the feeling
- Work safe with Electrosurgery using different devices
- Other diagnostic and therapeutic applications on demand

SESSION 5: Complication Management

14.30-16.00 Hall K11

Chairs: Mette Asbjorn Olesen, Copenhagen, Denmark
Lotta Langer, Karlstad, Sweden

14.30-14.50	Complication management – the airline way Dominic Cardozo, Bremen, Germany	L-18
14.50-15.10	Patient safety and error management in endoscopy Michael Ortmann, Basel, Switzerland	L-19
15.10-15.30	Post complication communication with staff, patient and relatives Peter Meier, Hannover, Germany	L-20
15.30-15.50	Complications of Bariatric Surgery Marcel Groenen, Arnhem, The Netherlands	L-22

SESSION 6: GE Diseases

14.30-16.00 Hall K 21

Chairs: Sylvia Lahey, Arnhem, The Netherlands
Susanna Jaghult, Stockholm, Sweden

14.30-14.50	Irritable Bowel syndrome from a person centered perspective Gisela Ringström, Göteborg, Sweden	L-23
14.50-15.10	Subjective food hypersensitivity: Lifestyle and psychological factors Ragna Lind, Bergen, Norway	L-24
15.10-15.30	Special needs of the elderly patient in Gastroenterology Gerlinde Weilguny, Vienna, Austria	L-23
15.30-15.50	Management of epidemic diarrhoea Jadranka Brljak, Zagreb, Croatia	L-25

Workshop 12: Hands-on-Training on Bio Simulators

15.00-17.00 ESGE Learning Area

Chairs: Eric Pflimlin, Basle, Switzerland

Hands-on training on bio simulators (pig models) under the supervision of high experienced tutors. Participants will have the opportunity to perform endoscopic techniques on the following topic:

- ERCP

As participation will be limited, registration will be treated on a first-come-first-served basis. Ticket will be available onsite only – at the entrance of the ESGE Learning Area

Posterround II

16.00-17.00 Poster area

Chairs: Jayne Tillett, Bristol, UK
Stanka Popovic, Ljubljana, Slovenia
Ingrid Karström, Kristianstad, Sweden

17. Manometry guided attachment of the Bravo capsule by nurses without endoscopic control. P-17
Margaretha Bouleau, Leena Reinilä, Ingrid Malm-Börjesson, and Bengt Håkanson*, Endoscopy Unit, dept. of Medicine and dept. of Surgery*, Ersta Hospital, Stockholm, Sweden
18. Involvement of nurses in capsule endoscopy practice and research P-18
Céline Monfort, Véronique Faber, Linda Zourane, Jean-Francois Rey
Department of Hepato-Gastroenterology, Institut Arnault Tzanck, St Laurent du Var, France
19. Mysteries of Esophageal Achalasia: Why are some patients able to keep food down and some not? P-19
Debbie den Boer, Su Jin Hong., Valmik Bhargava, Ravinder Mittal.
University of California, San Diego, San Diego, California, USA; V.A. Healthcare System, San Diego, CA. USA., Soonchunhyang University School of Medicine, South Korea.
20. Expression of anxiety in upper gastrointestinal endoscopy without sedation and nursing intervention P-20
Rosa M^a García Sierra, Iolanda Caballero Sáez, Raquel Mena Sánchez.
Endoscopy Unit. Consorci Sanitari de Terrassa, Spain
21. The efficacy of paper handout compared with video media in reducing the level of anxiety in patients scheduled for upper GI endoscopy. P-21
Sopa Boonviriyā, Siriporn Ratanaert , Varaporn Senapitakkul, Songkhla, NKC institute of Gastroenterology and Hepatology, Songkhla, Thailand
22. Percutaneous Endoscopic Gastrostomy P-22
J.J.M. van der Nolk van Gogh-van Rijn, Nurse Endoscopy, E.M.J. van Duin.,
Leiden University Medical Centre, Leiden, The Netherlands
23. Multidisciplinary team care in enteral feeding P-23
Linden, Ane. Hospital de Clinicas de Porto Alegre – Brazil
24. Examining the burnout levels in care givers of the patients having percutaneous endoscopic gastrostomy tube. P-24
Nimet Tuzomay, Ozdal Ersoy, Burcu Acil, Serpil Turker, Senel Surucu, Gulay Gocmen, Hulya Hamzaoglu, Gulten Acehan, Eser Vardareli, Nurdan Tozun, Acibadem University Internal Medicine Department Istanbul-Turkey
25. Endoscopic retrograde cholangiopancreatography. Experience in henares hospital, madrid-spain P-25
Dania Rocío Diaz-Rodríguez; Juan Jesús Pérez-Poveda; Alberto Ibañez-Pinto; María Luz Prieto-Vasallo; María José Gómez-Guerra, Ana María García; María Jesús Pajares, María José Cañas. Endoscopy Digestive Unit. Hospital del Henares. Madrid, Spain
26. Role of nurses in advanced endoscopic technique – endoscopic resection of ampullary adenoma P-26
Sousa C, Bré R, Andrade J; Gastroenterology Department, Centro Hospitalar do Alto Ave Guimarães-Portugal
27. Patients' experience of developing, living with and being treated for gallstone disease P-27

Marie-Louise Gustavsson¹, Kjell-Arne Ung¹, Åsa Nilsson¹, Eva Jakobsson²
¹ Section of Gastroenterology, Department of Internal Medicine, Kärnsjukhuset, Skövde, Sweden, ² Institute of Health and Care Sciences, Sahlgrenska Academy, University of Gothenburg, Gothenburg, Sweden

28. Nursing professions in researching the prevalence of viral hepatitis in the prison population in Croatia P-28
Rade Novičić, Department of Internal Medicine, Prison Hospital, Zagreb, Croatia
29. Effect of Clinical Pathways and Antibiotic Prophylaxis on the incidence of transjugular intrahepatic portosystemic shunt associated infections P-29
