## Word of Welcome

This year ESGENA can look back on 25 years of inspiring moments, enriching differences and unifying similarities. During the UEG Week virtual 2021, ESGENA will celebrate its 25th anniversary with an interesting programme which it combines retrospect and outlook.

**Experience the community of Gastroenterology and Endoscopy Nurses  
Meet experts, exchange ideas and connect with colleagues in other countries. Evolve virtually.**

The combination of the ESGENA Nurse Programme and the UEG Week programme offers an exceptional educational experience with state-of-the-art-lectures, free paper sessions, real-time discussions, live endoscopy, electronic posters, and industry symposia. ESGENA will have two nurses' specific sessions per day.

Hope to meet you at the first virtual UEG Week and ESGENA programme.

Stay safe, strong and united !

**Marjon de Pater**  
ESGENA President

## Registration & Information:

- Registration for UEG Week Virtual 2021 <https://ueg.eu/week/register#fees>
- Reduced registration fee for Allied health Professionals: € 150
- **Allied Health Professionals (AHPs)** include the fields of professions: **Nurses**, Nutritionists, Dieticians, Psychologists, Psychotherapists, Educationalists, Statisticians, Pharmacologists, Microbiologists. This fee is only applicable for professionals without any medical degree!
- **For online registration, please register each participant individually!**  
In case a hospital / company / institute registers several participants but needs one collective invoice, please refer to the group registration information.

## Registration includes

- Access to all scientific sessions including ESGENA nurses´programme
- Access to e-poster exhibition
- Access to live demo hall
- Access to nurse programme
- Access to industry exhibition
- Access to industry symposia
- Virtual interaction and networking
- Free access to the UEG Week content on the virtual congress platform on-demand until November 15, 2021
- Free access to all recorded sessions and abstracts from UEG Week Virtual 2021 via UEG Week on-demand in the UEG Library
- Virtual congress materials
- Certificate of attendance & CME certificate (only for participation in the live congress days)

## Helpful information

- **Online registration portal**  
The online portal for registration opened on May 3, 2021 and will remain open until the last day of each event.
- **Congress language**  
The official language of the ESGENA nurse programme, UEG Week, PGT Virtual 2021 is English.
- **Payment method**  
Payment will only be accepted in Euro and via credit card or bank transfer (for group bookings only).
- **Time zone**  
The time zone in accordance to which UEG Week and PGT Virtual will be live broadcasted is Central European Summer Time (CEST), Coordinated Universal Time (UTC) +1 hour in winter and +2 hours in summer.

## **ESGENA Warm-ups towards the UEG Week**

The ESGENA Warm-ups are short webinars which gives detailed information about new trends and developments. Nurses and physicians will share experience about endoscopic techniques. Experts will update the audience about new trends in hygiene and infection control.

ESGENA will offer short after work sessions which share new knowledge and experience and provide an excellent floor to discuss hot topics with experts.

Safe the dates:

- **Thursday, September 9, 2021 18:00-19:30 h**
- **Tuesday, September 14, 2021 18:00-19:30 h**
- **Thursday, September 16, 2021 18:00-19:30 h**
- **Tuesday, September 21, 2021 18:00-19:30 h**
- **Thursday, September 23, 2021 18:00-19:30 h**
- **Tuesday, September 28, 2021 18:00-19:30 h**
- **Thursday, September 30, 2021 18:00-19:30 h**

Participation will be free of charge:

Registration will open in September via the ESGENA website

## **ESGENA scientific sessions during the UEG Week**

During the UEG Week , ESGENA will have two time slots every day:

- **Sunday, October 3, 2021, 10:30-11:30 & 13:30-14:30**
- **Monday, October 4, 2021, 10:30-11:30 & 13:30-14:30 & 15:00-16:00**
- **Tuesday, October 5, 2021, 10:30-11:30 & 13:30-14:30**

A Registration will include the Access to the whole UEG Week

**Sunday, October 3, 2021, 10:30-11:30**

**Session 1: ESGENA Opening Session**

- **25<sup>th</sup> years of ESGENA – Meet pioneers of endoscopy nursing**
  - The beginning of a success story
  - Education – from small courses to academic education
- **How have advanced roles changed Endoscopy and Gastroenterology**
  - Nurse endoscopists, Liver Nurses , IBD , NAPS

**Sunday, October 3, 2021, 13:30-14:30**

**Session 2: Future becomes daily routine?**

- **Artificial intelligence in endoscopy – How will AI change our diagnosis & therapy**
- **How about managing the environmental impact and sustainability?**
- **Robots in Endoscope reprocessing**

**Monday, October 4, 2021, 10:30-11:30**

**Session 3: New development in Nurse Education**

- **Effect of university diploma on Daily routine - Experience of French nurses**
- **VIGATU – what does nurses expect from virtual learning?**
- **How can we benefit from European structures**

**Monday, October 4, 2021, 13:30-14:30**

**Session 4: Free paper**

- **Presentation of free papers**

**Monday, October 4, 2021, 15:00-16:00**

**Endoscope contamination and patient infections; burden and measures for prevention (UEG Week Session)**

- **How to contain the risk of re-usable scope contamination with optimal reprocessing**
- **Biofilm in re-usable endoscopy; can it be dealt with?**
- **Disposable endoscopes are the solution to eliminate the issue of scope contamination**

**Tuesday, October 5, 2021, 10:30-11:30**

**Session 6: Sedation in Endoscopy**

- **Sedation in endoscopy: Perfusor vs TCI pump vs bolus**
- **Titration vs one dose procedural sedation without anesthesiologist. Need for a specific procedural nurse sedation team (PROSA)**
- **European Curriculum on Sedation in Endoscopy**

**Tuesday, October 5, 2021, 13:30-14:30**

**Session 7: Free paper**

- **Presentation of free papers**

# Call for Abstracts ESGENA Nurse Programme @ UEG Week 2021

ESGENA invites colleagues from Europe and all over the world to present their experience, studies and projects at the ESGENA Nurse Programme @ UEG Week in October 2021. Participants wishing to submit abstracts can do so **only in electronic format** by sending a **MS Word document** with their abstract via e-mail to:

Ulrike Beilenhoff,  
ESGENA scientific secretariat  
Email: [UK-Beilenhoff@t-online.de](mailto:UK-Beilenhoff@t-online.de)

**Abstract submission deadline: July 15, 2021**

**The authors will receive an official confirmation within 3-5 days after submitting their abstract.** If authors do not get an official confirmation within 5 days, please send the abstract again to Ulrike Beilenhoff and a copy to the ESGENA technical secretariat: [info@esgena.org](mailto:info@esgena.org).

## General Information on Abstract Submission

Participants are invited to submit original scientific abstracts for oral or poster presentation. Authors have to conform to the following guidelines for abstract submission. **Those not conforming to the guidelines will not be considered for reviewing.**

- Abstracts must be submitted in English and must be presented in English.
- Abstracts will be reviewed by a panel of experts and may be selected for oral or poster presentations, or may be rejected.
- Notification of acceptance (for oral or poster presentation) or rejection by the Scientific Programme Committee will be e-mailed to the presenting author by July 30, 2019
- Detailed information, guidelines and recommendations for oral or poster presentation, as well as day, time and room will be sent in due time to duly registered presenting authors. The time allotted for each oral presentation will be 10 minutes, followed by 5 minutes of question time. During the poster round, authors of posters should also be prepared to answer questions in English.
- Accepted abstracts will be published in the ESGENA Abstract Book, in the ESGENA NEWS and on the ESGENA website.

### The abstract should be typed as follows:

- Use font that is easy to read such as Arial, Times Roman, Helvetica or Courier fonts.
- The abstract must not be more than 500 words long or must not fill more than one A4 page, using type in 12-point font.
- A brief title should clearly state the nature of the investigation

- Abbreviations should, if possible, be avoided in the title, but may be used in the text if they are defined on the first usage
- The authors' names (full first name, surname) and the institution (hospital, university, organization, city and country, e-mail) where the research was carried out, with the name of the presenting author underlined
- Use single line spacing
- Include tables if necessary
- The abstract should be as informative as possible
- **The abstract should have a logical, scientific structure (introduction, mains & objectives, method, results, conclusion, summary, references, learning outcomes for audience)**
- Statements such as „results will be discussed “ or „data /information will be presented “ cannot be accepted
- Please ensure that your abstracts do not contain any spelling, grammar or scientific errors, as it will be reproduced exactly as submitted
- The abstract should have a **nursing relevant content** and should **add to existing knowledge**.
- The abstract should have a minimum of **2 relevant References**, but not more than 10 References.
- The abstract should state **2 things the delegates could learn** from your presentation

## How to prepare a well-written abstract

You can use the template to complete all sections

Scientific Abstract Template  (limit: 500 words or one A4 page) - Please complete ALL Sections	<i>Explanatory Notes</i> <b>When completed, and before submission – delete this column</b>
<b>Title</b>	10 – 12 words that capture the relevance and essence of the research
<b>Introduction / Background</b>	<ul style="list-style-type: none"> <li>➤ What has been investigated</li> <li>➤ Why is the research important</li> <li>➤ Context of the study - has something similar already been done and how the presented work differs</li> </ul>
<b>Aims / Objectives</b>	<ul style="list-style-type: none"> <li>➤ The purpose of the <b>RESEARCH</b> / project– <i>not of the abstract!</i></li> <li>➤ Providing a brief synopsis</li> <li>➤ Hypothesis, question or concept underpinning the research</li> </ul>

<p><b>(Research) Methods</b> Please indicate which methodology you have used and delete non-applicable methods:</p> <ul style="list-style-type: none"> <li>➤ Randomized Controlled Trial (Intervention)</li> <li>➤ Meta-Analysis</li> <li>➤ Systematic Review</li> <li>➤ Cohort Study (Prediction)</li> <li>➤ Qualitative Research Studies (Exploration)</li> <li>➤ Service / Program Evaluation</li> <li>➤ Audit</li> <li>➤ Case Report</li> <li>➤ Other: <i>state which</i></li> </ul>	<ul style="list-style-type: none"> <li>➤ Should describe <b>HOW</b> the AIMS of the research were achieved</li> <li>➤ What the research/project involved - for example: <ul style="list-style-type: none"> <li>• Short description of the study design</li> <li>• Underpinning theoretical or conceptual frameworks</li> <li>• Sampling technique(s) used, e.g. qualitative or quantitative</li> <li>• Retrospective or prospective</li> <li>• Method of data collection: e.g. review, surveys, focus groups, patient cohorts etc.</li> <li>• Sample size, criteria for selection and exclusion</li> <li>• Randomised or non-randomised</li> <li>• Type / method(s) of data analysis (tests)</li> <li>• Statistical or interpretative analysis software programs used (GENERIC name of the software)</li> <li>• If applicable: state if <i>Ethics Approval</i> was obtained</li> </ul> </li> </ul>
<p><b>Findings / Results</b></p>	<p>What the research discovered</p> <ul style="list-style-type: none"> <li>➤ Synopsis of the findings of the study, using key data to demonstrate the outcomes</li> <li>➤ Avoid simply citing data, particularly in quantitative studies</li> <li>➤ State statistical significance (quantitative studies)</li> <li>➤ Synthesis of the data and how it answers your research question</li> </ul> <p>NEVER submit an abstract without results</p>
<p><b>Summary and Discussion</b></p>	<ul style="list-style-type: none"> <li>➤ Provide a short explanation of HOW the findings relate to the <i>AIMS</i>,</li> <li>➤ present <b>EVIDENCE</b> of the findings from your <i>METHODS</i> (to support the implications of your study = conclusions)</li> <li>➤ Critically define any weaknesses / strengths identified in your data</li> </ul>
<p><b>Conclusion</b></p>	<p>What the research implies</p> <ul style="list-style-type: none"> <li>➤ <b>IMPLICATIONS</b> of the findings and how they <b>ADD</b> to the existing knowledge</li> </ul>
<p><b>Learning Outcomes + Relevance to Nursing Practice</b></p>	<p>Relevance to Nursing and how the findings can be <b><u>used/applied</u></b> in Clinical Practice</p>
